§276.14 Budget revision.

Criteria and procedures to be followed by grantees in reporting deviations from grant budgets and requesting approval for budget revisions are as follows:

- (a) For nonconstruction grants, grantees shall request prior approvals promptly from the Bureau for budget revisions whenever:
- (1) The revision results from changes in the scope or the objective of the grant-supported program.
- (2) The revision indicates the need for additional Bureau funding.
- (3) The grant budget is over \$100,000 and the cumulative amount of transfers among direct cost object class budget categories exceeds or is expected to exceed \$10,000, or five percent of the grant budget, whichever is greater. The same criteria apply to cumulative amount of transfers among programs, functions, and activities when budgeted separately for a grant, except that the Bureau shall permit no transfer which would cause any Federal appropriation, or part thereof, to be used for purposes other than those intended.
- (4) The grant budget is \$100,000, or less, and the cumulative amount of transfers among direct cost object class budget categories exceeds or is expected to exceed five percent of the grant budget. The same criteria apply to the cumulative amount of transfers among programs, functions, and activities when budgeted separately for a grant, except that the Bureau shall permit no transfer which would cause any Federal appropriation, or part thereof, to be used for purposes other than those intended.
- (5) The revisions involve the transfer of amounts budgeted for indirect costs to absorb increases in direct costs.
- (6) The revisions pertain to the addition of items requiring approval in accordance with the provisions of appendix A of this part.
- (b) All other changes to nonconstruction grant budgets, except for the changes described in paragraph (d) of this section do not require approval. These changes include:
- (1) The use of grantee funds in furtherance of program objectives over and above the grantee minimum share

- included in the approved grant budget and
- (2) The transfer of amounts budgeted for direct costs to absorb authorized increases in indirect costs.
- (c) For construction grants, grantees shall request prior approval promptly from the Bureau for budget revisions whenever:
- (1) The revision results from changes in the scope or the objective of the grant-supported programs.
- (2) The revision increases the budgeted amounts of Bureau funds needed to complete the project.
- (d) When the Bureau awards a grant which provides support for both construction and nonconstruction work, the Bureau may require, in the grant agreement, the grantee to request prior approval before making any fund or budget transfers between the two types of work supported.
- (e) For both construction and non-construction grants, the Bureau shall require tribal grantees to notify the Bureau promptly whenever the amount of Bureau authorized funds is expected to exceed the needs of the grantee by more than \$5,000 or 5 percent of the Bureau grant, whichever is greater. This notification will not be required when applications for additional funding are submitted for continuing grants.
- (f) When requesting approval for budget revisions, grantees shall use the budget forms which were used in the grant application. However, grantees may request by letter the approvals required by the provisions of appendix A of this part.
- (g) Within 30 days from the date of receipt of the request for budget revisions, the Bureau shall review the request and notify the grantee whether or not the budget revisions have been approved. If the Bureau does not reach a decision prior to the end of the 30-day period or should the grantee not be notified of the Bureau's decision by the end of the 30-day period the grantee may appeal directly to the Commissioner.

§ 276.15 Grant closeout.

- (a) In closing out Bureau grants, the following shall be observed:
- (1) Upon request, the Bureau shall make prompt payments to a grantee

§ 276.15

for allowable reimbursable costs under the grant being closed out.

- (2) The grantee shall immediately refund to the Bureau any unencumbered balance of cash advanced to the grant-
- (3) The Bureau shall obtain from the grantee within 90 days after the date of completion of the grant all financial, peformance, and other reports required as a condition of the grant. The Bureau may grant extensions when requested by the grantee.
- (4) The Bureau shall make a settlement for any upward or downward adjustments to the Federal share of costs after these reports are received.
- (5) The grantee shall account for any property acquired with grant funds, or received from the Government in accordance with the provisions of §276.11.
- (6) If a final audit has not been performed before the closeout of the grant, the Bureau shall retain the right to recover an appropriate amount after fully considering the recommendations on disallowed costs resulting from the final audit.
- (b) Suspension. When a grantee has materially failed to comply with the terms and conditions of a grant, the Bureau may after reasonable notice to the grantee, suspend the grant. The notice preceding suspension shall include the effective date of the suspension, the reasons for the suspension, the corrective measures necessary for reinstatement of the grant, and, if there is no immediate threat to safety, a reasonable time frame for corrective action prior to actual suspension. No obligations incurred by the grantee during the period of suspension shall be allowable under the suspended grant, except that the Bureau may at its discretion allow necessary and proper costs which the grantee could not reasonably avoid during the period of suspensions if such costs would otherwise be allowable under the applicable cost principles specified in appendix A of this part. Appropriate adjustments to the payments under the suspended grant will be made, either by withholding the payments or by not allowing the grantee credit for disbursements which he may make in liquidation of unauthorized obligations he incurs during the period of suspension. Suspensions shall

remain in effect until the grantee has taken corrective action to the satisfaction of the Bureau or given assurances satisfactory to the Bureau that corrective action will be taken, or until the Bureau cancels the grant.

- (c)(1) Cancellation for cause. The Bureau may cancel any grant in whole, or in part, at any time before the date of completion, whenever it is determined that the grantee has:
- (i) Materially failed to comply with the terms and conditions of the grant;
- (ii) Violated the rights or endangered the health, safety, or welfare of any persons:
- (iii) Been grossly negligent in or has mismanaged the handling or use of funds provided under the grant.
- (2) When it appears that cancellation of a grant shall become necessary, the Bureau shall promptly notify the grantee in writing of this possibility. This written notice shall advise the grantee of the reason for the possible cancellation and the corrective action necessary to avoid cancellation. The Bureau shall also offer, and provide if requested by the grantee, any technical assistance which may be required to effect the corrective action. The grantee shall have 60 days in which to effect this corrective action before the Bureau provides notice of intent to cancel the grant as provided in paragraph (c)(3) of this section.
- (3) Upon deciding to cancel for cause, the Bureau shall promptly notify the grantee in writing of that decision, the reasons for the cancellation, and the effective date. The Bureau shall also provide a hearing for the grantee before cancellation, as provided in §272.51. However, the Bureau may immediately cancel the grant, upon notice to the grantee, if the Bureau determines that continuance of the grant poses an immediate threat to safety. In this event, the Bureau shall provide a hearing for the grantee within ten (10) days of cancellation.
- (4) Payments made to grantees or recoveries by the Bureau under grants cancelled for cause shall be in accordance with the legal rights and obligations of the parties.
- (d)(1) Cancellation on other grounds. Except as provided in paragraph (c) of

Bureau of Indian Affairs, Interior

this section, grants may be cancelled in whole or in part only as follows:

- (i) By the Bureau with the consent of the grantee, in which case the two parties shall agree upon the cancellation conditions, including the effective date, and in the case of partial cancellation, the portion to be cancelled; or
- (ii) By the grantee, upon written notice to the Bureau, setting forth the reasons for the cancellation, the effective date, and, in the case of partial cancellation, the portion to be cancelled.
- (2) When a grant is cancelled in accordance with paragraph (d) of this section, the grantee shall not incur new obligations for the cancelled portion after the effective date, and shall cancel as many outstanding obligations as possible. The Bureau shall allow full credit to the grantee for the Bureau share of the noncancellable obligations properly incurred by the grantee before cancellation.

§ 276.16 Subgrants and subcontracts to non-profit organizations.

The uniform administrative requirements in this part, including the cost principles in appendix A, to this part, are applicable to all subgrants or subcontracts made by a grantee in accordance with the provisions of this chapter. However, these requirements and cost principles are applicable as minimum standards for subgrants or subcontracts made to nonprofit organizations. Accordingly, the grantee may prescribe additional or more stringent requirements with regard to subgrants or subcontracts made to non-profit organizations.

§276.17 Printing.

As permitted by paragraph 36–2(c) in the Government Printing and Binding Regulations (October 1974, No. 23), published by the Joint Committee on Printing (JCP), printing required by a grantee in performing work under a grant is considered "incidental printing" (e.g., material which the grantee needs to use to respond to the terms of the grant). Whenever the incidental printing is likely to exceed the exclu-

sions in paragraphs 36–3 and 36–4 of the Joint Committee on Printing (JCP) Printing and Binding Regulations, specific provisions on printing as may be required shall be included in the grant agreement. Grantees shall be given the option of using sources other than the Government Printing Office for incidental printing.

APPENDIX A TO PART 276—PRINCIPLES FOR DETERMINING COSTS APPLICABLE TO GRANTS

PART I—GENERAL

- A. Purpose and scope. 1. Objectives. This attachment sets forth principles for determining the allowable costs of programs administered by grantees under grants from the Bureau. The principles are for the purpose of cost determination and are not intended to identify the circumstances or dictate the extent of Bureau and tribal participation in the financing of a particular grant. They are designed to provide that Bureau assisted programs bear their fair share of costs recognized under these principles, except where restricted or prohibited by law. No provision for profit or other increment above cost is intended.
- 2. Policy guides. The application of these principles is based on the fundamental premises that:
- a. Grantees are responsible for the efficient and effective administration of grant programs through the application of sound management practices.
- b. The grantee assumes the responsibility for seeing that Bureau assisted program funds have been expended and accounted for consistent with underlying agreements and program objectives.
- c. Each grantee organization, in recognition of its own unique combination of staff facilities and experience, will have the primary responsibility for employing whatever form of organization and management techniques may be necessary to assure proper and efficient administration.
- 3. Application. These principles will be applied by the Bureau in determining costs incurred by grantees under Bureau grants (including subgrants, contracts by grantees and subcontracts).
- B. Definitions. 1. Approval or authorization of the Bureau means documentation evidencing consent prior to incurring specific cost.
- 2. Cost allocation plan means the documentation identifying, accumulating, and distributing allowable costs under grants and contracts together with the allocation methods used.
